

## **Instructions for Linking up from Montreal to Interstate 95**

**Mercier Bridge from the western part of Montreal:**

**Keep left on the bridge and follow Route 132 past Candiac, for about 7 miles (11 Km), until after you pass a McDonalds on the left side, and if you keep right you will see a sign that points you to USA along Rte 15. Follow this road as it curves to the right.**

**Champlain Bridge from Montreal and East:**

**Keep right on the bridge and take the USA turn-off, but be careful to go straight instead of onto Rte 132 East towards Sorel. Follow Rte 132 West and 15 South for 6.5 miles (10.4 Km) where 132 will split off. Continue on Rte 15 South.**

**Stay on Rte 15 South for about 26 miles (42 Km) and you will reach the US border.**

**After crossing the border you will be on Route 87 South. You will pass through Plattsburgh, NY and later Lake George, Glens Falls, Saratoga Springs, and then finally Albany, after a total of about 171 miles (274 Km). Keep to the right after Exit 2, and you'll be getting off at Exit 1 - a sharp right curve, onto the NY State Thruway, which is a continuation of Route 87.**

**Follow the Thruway South for about 130 miles (208 Km) until Exit 14, where you will exit to the right onto the Garden State Parkway which will lead you into New Jersey.**

**Stay on the Parkway for 15 miles (24 Km) until Exit 159 and switch to Route 80 East for about 6.25 miles (10 Km) where it will join up with the New Jersey Turnpike (I-95) South.**

**You're now following Drive I-95 and driving up Page 19 of our book. Happy traveling!**
